## RESPONSIBILITIES OF THE APPLICANT

### I AM AWARE THAT:

1. The Public Works Department, the Department of Environmental Resources Management (DERM), and other County agencies review and critique zoning hearing applications which may affect the scheduling and outcome of my hearing. These reviews may require additional hearings before DERM's Environmental Quality Control Board (EQCB), or other County boards, and/or the proffering of agreements to be recorded. I am also aware that I must comply promptly with any DERM or Public Works conditions and advise this office in writing if my application will be withdrawn.
2. Filing fees may not be the total cost of a hearing. Some requests require notices to be mailed to property owners up to a mile from the subject property and I am responsible for paying the additional radius mailing costs. In addition to mailing costs, I am responsible for additional fees related to application changes, plan revisions, deferrals, re-advertising, etc., that may be incurred. I understand that fees must be paid promptly. Applications withdrawn within 60 days of the filing are eligible for a refund of 50% of the hearing fee but after that time hearings withdrawn or returned will be ineligible for a refund. Refunds must be requested in writing.
3. The South Florida Building code requirements may affect my ability to obtain a building permit even if my zoning application is approved; and a building permit will probably be required. I am responsible for obtaining any required permits and inspections for all structures and additions proposed, or built without permits. And that a Certificate of Use (C.U.) must be obtained for the use of the property after it has been approved at Zoning Hearing. Failure to obtain the required permits and/or C.U., Certificates of Completion (C.C.) or Certificate of Occupancy (C.O.) will result in enforcement action against any occupant and owner. Submittal of the Zoning Hearing application may not forestall enforcement action against the property.
4. The 3<sup>rd</sup> District Court of Appeal has ruled that zoning applications inconsistent with the Comprehensive Development Master Plan (CDMP) cannot be approved by a zoning board based upon considerations of fundamental fairness. Therefore, I acknowledge that if the hearing request is inconsistent with the CDMP and I decide to go forward then my hearing request can only be denied or deferred, but not approved.
5. In Miami-Dade County v. Omnipoint Holdings, Inc., Case No. 3D01-2347 (Fla. 3<sup>rd</sup> DCA 2002), the 3<sup>rd</sup> District Court of Appeal has held invalid the standards for non-use variances, special exceptions, unusual uses, new uses requiring a public hearing and modification of conditions and covenants. The County Attorney's Office is seeking review of the decision in the Florida Supreme Court, as well as a stay of the decision's effect. While the case is pending, the decision is in effect and binding on all parties. Its impact is to suspend consideration of zoning applications for most special exceptions, unusual uses, non-use variances, and modification of conditions and covenants. In the interim, County staff have developed and proposed to the Board of County Commissioners certain ordinances that would provide interim standards for limited categories of applications. If these standards are enacted, certain applications may be able to proceed to hearing. However, absent a reversal by the courts or enactment of revised regulations, pending applications will not be able to proceed to hearing until the disposition of the pending litigation.
6. Any covenant to be proffered must be submitted to the Department's Legal Advisor, on County form, at least 1 month prior to the hearing date. The covenant will be reviewed and the applicant will be notified if changes or corrections are necessary. Once the covenant is acceptable, the applicant is responsible to submit the executed covenant with a current 'Opinion of Title' within 1 week of the hearing. Legal Advisor can advise as to additional requirements applicable to foreign corporations. Documents submitted to Legal Advisor must carry a cover letter indicating subject matter, application number and hearing date. Legal Advisor may be reached at (305) 375-3075.
